

Ramnath Dhadage - Recognition History - Award Programs

Spot Award

Given By

Anurag Srivastav
(EB220430)

Program name

Spot Award

Given date

22-Jan-2025

Nomination Note

In recognition of your dedicated support to external project along with your production work. Your collaborative efforts and multiple discussion to sort through the challenges and to find solutions are much appreciated by vendor. Ideas and thoughts shared by you on efficient coding, streamlining and standardization are highly praised internally as well. You are an excellent R programmer and an asset to the team. Thanks for the great work Ramnath!
